

THE SUMARIAN

1953

Foroword

We, the Seniors of Sumner Township High School, have completed an important part of each of our lives. As our motto suggests, we are not really finished we are just beginning. As we go on meeting and overcoming new challenges of life, our thoughts will frequently come back to S.T.H.S. and other schools to boys and girls who are enjoying the experiences we have enjoyed. May our future suggest as many happy times as our past.

OUR FOND FAREWELL

The time has come when we must say
Goodbye to all our friends.
We're leaving now, to make our way,
In this world of great dividends.

We'll surely miss each one of you,
But memories, they will last;
For now we know, our journey through,
We'll think of you, the past.

We'll strive to show this world of ours,
We're ready to begin;
Our future work, long sweet hours
And willingness to the end.

We especially thank our teachers, dear;
They gave us what we need!
The chance to learn, the chance to hear,
With which we can succeed.

We'll try our best to do what's right
To keep our country free,
Through rain or hail, we'll try to fight,
We, seniors of '53.

So once again we'll say goodbye;
Please keep us all in mind,
We leave to go, we'll dry our eyes,
To the friends we left behind.

known as the "Sumner School" for
the town. It was built in 1941, and is pre-
sently the only school in the town.

By the fall of 1948 a nice new building had been completed on west Locust Street--the old site. Both parents and pupils were justly proud of it. It is a two-story, well-kept building with many bright rooms. During the past year the school has made great progress. The new building has been greatly improved. (1) The school has been completely renovated, and all the old buildings have been torn down. (2) The floors were laid with new material. (3) The walls were painted white. (4) The roof was replaced with new tiles. (5) The plumbing system was overhauled to give more efficiency in the kitchen.

A wonderful guy;
All around good fellow is he
He is the one
That does the work
In the office he is as busy as a bee.

He helps us to go
To the basketball games
Transportation he finds if he can
Without him we're lost
Cause to us he is
A jolly good-natured man.

Mr. and Mrs. Creech:

They're our janitors, that's right.
We need them, that's true.
They're very nice and sincere;
They see that the school
Is always kept clean.
Without them our school would be drear.

They're two very nice people.
They treat you just right
No matter wherever you are
They're always ready to try
To help you in any way
Found them, they're just the way.

PROPHECY FOR THE CLASS OF 1953

"LITTLE MISS SOMEBODY"

The Seniors presented their play on November 20, 1952.

The play was about the life of Dr. John Ashley and Harriet. The Ashleys have a daughter, Claire, age twenty, and a son, Laurie, an irresponsible boy of seventeen.

The Ashleys also had a daughter-in-law in her fifties by the name of Mrs. Parnell.

In the early part of the play, Laurie set which he attended to with care and attention in her extra-special of Owen Forbes. He had a bouquet of flowers for her and Harriet, who happened to be there. Tony, a good looking young man who was interested in Laurie, came over to see her.

Near the end Laurie discovered that old man, but likeable, Mike was her father. The play ended with everyone to be happy. Then Claire announced that she was going to get married. The curtains closed with a big bang and a lot of cheering, while the lights were down low.
